TIMETABLES AND PRICES

2020

Dear Customers

In order to maintain as attractive an offer as possible, the presence of the many construction sites has persuaded us to divide the 2020 timetable into five periods. **Please note that construction work in the Simplon Tunnel will result in its complete closure between 16 August and 6 September 2020.** It means that the Rolling Highway will not circulate during this time.

In case you have any questions, please contact our Sales & Dispatching office or our terminals.
